

Why Pinpoint Payments?

Because Your Business Deserves More

Customer Service

We're not in the business of simply getting more clients. Never have, never will.

We're in the business of helping more clients.

Your success is our success. We work with our clients on a one on one basis, to ensure that your business has everything it needs to process credit card payments securely, efficiently and cost-effectively.

Our team is well versed in all things payment related, including fraud prevention and chargeback management, to ensure that we are able to help you every step of the way.

Experience

With over a decade in the online space as a frontrunner in both fraud prevention and chargeback management, we have a unique perspective when it comes to risk that allows us to understand your unique needs.

Right Relationships

We have a vast number of connections with a full range of banks and vendors. That means we can steer you to the best fit for your business.

Reputation

We have an A+ with the BBB, a 5-Star Rating with Google, and have been named as one of the fastest-growing private companies in America, not just once, but three times!
